Target for production of fertilisers during the Eighth Plan

4011. SHRI BHAGABAN MAJHI: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) the target set for the production of different kinds of fertilisers during the Eighth Plan;

(b) the achievement made in that regard so far; and

(c) the steps taken to increase the production of fertilisers?

THE MINISTER OF STATE OF THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI SHEES RAM OLA): (a) The target set in the Eighth Five Year Plan document for the production of fertilizers in the terminal year of the of Plan was 98.00 lakh tonnes of nitrogen and 30.00 lakh tonnes of phosphate in terms of nutrients.

(b) The production of fertilizers nutrients in the first four years of the Eighth Plan has been as follows:

(Lakh Tonne)

Year	Nitrogen	Phosphate
1992-93	74.30	23.06
1993-94	72.31	18.16
1994-95	79.45	24.93
1995-96	87.77	25.58

(c) The following steps have been taken to increase the production of fertilizers:

(i) The domestic urea industry is supported through the retention price-cum-subsidy scheme.

(ii) Assistance is provided to the fertilizer industry for securing linkages of feedstock, fuel and rail movement.

(iii) Liquid petroleum products used as feedstock and fuel in fertilizer plants are supplied at concessional prices.

(iv) As a part of Government's liberalisation policy, no industrial licence is now required for setting up a fertilizer plant.

(v) Investment in the fertilizer sector is encouraged, inter-alia, through concession on supplies of capital goods for the fertilizer industry in the form of import duty exemption and deemed export benefits, as well as interest rate concession on long-term loans raised by fertilizer units.

(vi) The rate of special concession on indigenously manufactured DAP has been enhanced with effect from 6.7.1996 from Rs. 1000/- per tonne to Rs. 3000/- per tonne. The concession on the imported potash content has been raised from Rs. 1000/- per tonne of MOP to Rs. 1500/- per tonne A proportionate increase in the rate of concession has been allowed in respect of all complex fertilizers. In respect of SSP, the rate of special concession has been enhanced from Rs. 340/- per tonne to Rs. 500/- per tonne.

The central public/cooperative sector fertilizer units have adopted the following strategy to augment the production and the availability of fertilizers;

(i) Expansion / retrofitting / revamping of existing fertilizer plans;

(ii) Overcoming the constraints in the availability of natural gas by setting up naphtha-based fertilizer plants and installing dual fuel/feedstock facilities in the existing plants and projects under implementation;

(iii) Setting up of joint venture projects in countries having abundant and cheap raw material resources.

Budgetary support has also been provided to the sick fertilizer undertakings in the central public sector to enable them to sustain their production.
